## MISSION

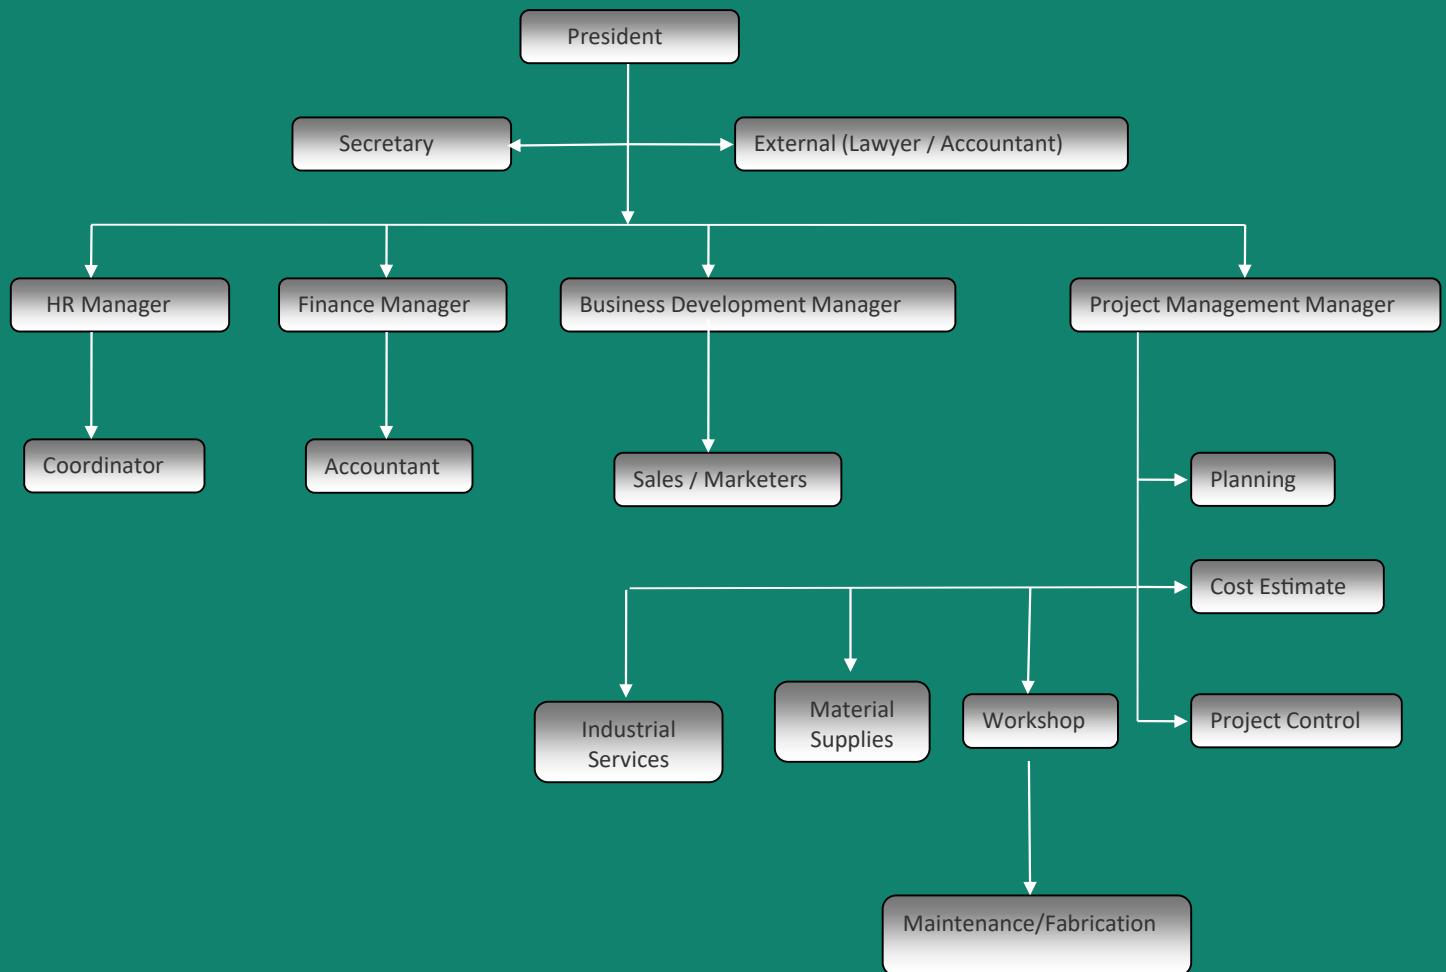

To maintain the image as a service provider of Quality and value added Engineering services and to be one among the market leaders and gain expertise in current endeavors

## OUR COLLABORATION

We have world wide connections with several manufacturers & service providers as well integrators to get support for our local team where ever and when ever is required

## ORGANIZATION CHART

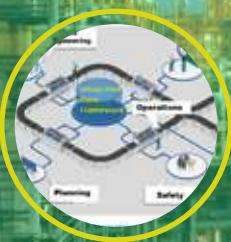

## LIST OF SERVICES OFFERED

- Engineering Services & Project management support.
- Pre commissioning activities, steam blowing, pipe flushing,
- Equipment dry out and preservation, etc.
- Represent local & international companies working in same field.
- Develop operation / maintenance instruction and procedure
- Industrial operation support and process trouble shooting
- Plant Turnaround management & Maintenance services.
- Professional manpower supply.
- Equipment, Construction Material & Spare parts Supplies services.

## SERVICES PROVIDED

- Special Coating (Fiber & Epoxy) and Painting
- Mechanical Fabrication & Installation
- Civil and Building Works
- Electrical Works

## Painting and Coating

- Can provide the services in internal fiber coating for crude tanks, fuel tanks and other storage vessels in Petrochemical Industries
- Epoxy coating for Internal and external of oil storage & other tanks.
- Special Epoxy coating for underground pipelines and special pipes wrapping.
- Special Coating for Offshore Structures
- Blasting and Surface preparation work with highly skilled sand blasters.

## Mechanical

- Pipe Fabrication and Installation
- Structural Fabrication and Installation
- Fabrication and Erection of Tanks
- Shutdown and Turn around services
- Scaffolding
- Mechanical Repairing
- Supply of Highly skilled manpower for Engineering and Construction Industries

## Civil

- Construction of office building, control rooms, tanks, dike, walls concrete bridges
- Repairs and Maintenance of all types of Infrastructures
- Warehouse, open paved areas, pipelines supports and structures
- Excavation and Back filling

## Products Offered

- Pipes
- Tubes
- Piping Bulks
- Flanges
- Pumps
- Valves
- Hollow Sections

# Why we are the best

Expert Technicians | Professional Services  
Great Support

Consumables:  
Cleaning Laboratory, Office Supplies,  
Safety items, Computers etc.

Industrial Equipment:  
Compressors, Pumps, Valves,  
Turbines etc.

Plant Upkeep Supplies:  
Gaskets, Lubricants,  
Repair Tools, Gauges etc.

## Manpower Support

It is a rapidly expanding organization offering a wide range of Support services in terms of providing Technical & Non-Technical Manpower Services in the area of Construction, General Contracting, Industrial Contracting, Operation and Shut down Maintenance, Human Resource Services and support Janitorial and General Services.

## Equipment Rental

Equipment rental services is the fastest growing organization offering a wide range of heavy duty and light duty equipment to countless machinery products that we own, we are more than happy to be featuring our best resources before you.

- ◆ All Terrain Cranes
- ◆ Low Bed Trailer 30 to 200 Ton
- ◆ Flatbed Trailer 25 to 40 Ton
- ◆ Dyna Truck 6 Ton
- ◆ Boom Truck 5Ton to 18 Ton
- ◆ Water Tanker 12000 to 32000 liters
- ◆ Diesel Tanker 6000 to 12000 Liters
- ◆ Fork Lift 2.5 to 18 Ton
- ◆ Rough Terrain Forklift 3 to 5 Ton

- ◆ Electric Forklift 2 to 5 Ton
- ◆ MAN LIFT – 16 Meter to 43 meter
- ◆ Scissor lift – 6 Meter to 18 Meter
- ◆ GENERATORS – 20 KVA to 1000 KVA
- ◆ Tower lights – 4 X 1000 Watts
- ◆ Light Vehicle
- ◆ Rough Terrain Cranes
- ◆ Truck Cranes and Crawler Cranes
- ◆ Ranging from 25 Tons up to 1,200 Tons.

## Our Products

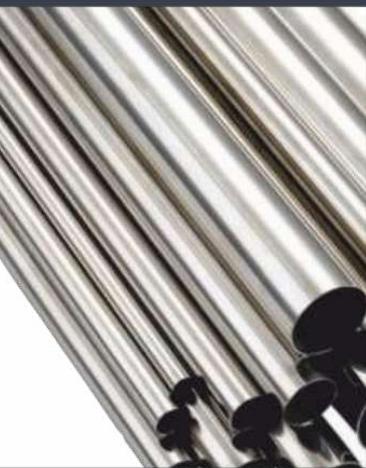

GonouP

## HORA

## PENTAIR

**Fittings:-** . We supply various shapes and sizes to suit the specification of the esteemed clients. Contact us for the dimensionally accurate & high performance fitting supplies.

- ▶ Tank Fittings
- ▶ Fabricated Pipe Fittings
- ▶ Hose Fittings
- ▶ Tube Fittings
- ▶ ▶ Pipe Fittings & Pipe

## VALVES

We leverage our experience to get the excellent valves manufacturer for the industries such as oil & gas, power, petrochemicals, chemicals, water as well as defence and aerospace.

- ▶ Butterfly Valve
- ▶ Sluice valve
- ▶ Non-Return Valve
- ▶ Kinetic Air Valve
- ▶ Foot Valve
- ▶ FM Approved Gate Valve
- ▶ Cast Steel Gate Valve
- ▶ Cast Steel Globe Valve
- ▶ Cast Steel Check Valve
- ▶ Ball Valve
- ▶ Steam Trap Device
- ▶ Forged SteelGate ,Globe
- ▶ Suction Diffuser and Triple
- ▶ Duty Valve
- ▶ Check Valve

## TOOLS

We supply hundreds of hand tools & cutting tools like bolt cutters, wire strippers, and multi-purpose utility knives. Power tools like cordless drill/drivers, impact wrenches, reciprocating saws, sanders, and angle grinders help you perform the necessary tasks to keep your operation running smoothly. Cross off every item on your list of hand and power tools in one place.

- ▶ Carpet Installation Tools And Kits
- ▶ Crimping Tools And Dies Cutting Tools
- ▶ Demolition Tools And Equipment
- ▶ Drywall And Plastering Tools
- ▶ Electrical Tools
- ▶ Grinding, Sanding, And Finishing Tools
- ▶ Masonry, Concrete And Tile Tools
- ▶ Measuring And Layout Tools
- ▶ Plumbing Tools And Equipment
- ▶ Punching Tools Tool Balancers And
- ▶ Retractors Tool Kits Tool Storage
- ▶ Tool Balancers Hammers And Striking
- ▶ Tools Inspection And
- ▶ Retrieving Tools

## ELECTRICAL INSTRUMENTATION

We supply wide range of electrical & instrumentation for Engineering and construction companies, principally within the oil & gas. also our team will help you to get the customized electrical solution as per the industrial needs.

Wire & Cable  
Electrical Connector  
Electrical Tape  
Electric motors Generators  
Battery Tester & Analyzer  
Installation testers  
Laser Distance Meters  
Calibrators  
Wireless testers  
Emergency Accessories  
Lighting Controls  
Outdoor area fixtures  
Task Light Troffers, Panels & Retrofit Kits  
Under Cabinet Lighting  
Power and energy loggers  
Oscilloscopes  
Light Fixtures  
Battery Chargers

# SAFETY

Safety is priority to any business & safety equipment are important for all kinds of work environment. We help you in buying safety products which are widely used in industry from years, as well as the latest innovative safety products.

- Asbestos Abatement
- Confined Space Equipment Emergency
- Preparedness
- Ergonomics
- Eye Protection And Accessories
- Fire Protection
- First Aid And Wound Care
- Flame Resistant And Arc Flash Clothing
- Gas Detection
- Gloves And Hand Protection
- IV Supplies
- Lockout Tagout

## WELDING PRODUCTS

We provide a complete range of welding equipment & accessories, both in kit form and as individual items to match any requirement, we also have plasma cutters and a wide array of other welding products from top manufacturers that deliver the safety and performance you need.

- Arc Cutting And Gouging
- Filler Metals
- Fume Extractors And Accessories
- Gas Welding Equipment
- Plasma Cutting
- Replacement Parts
- Soldering
- Spot Welding And Accessories
- Submerged Arc Welding
- Thermoplastic Welding
- TIG Welding And Accessories
- Welding Cables Grounds
- Welding Ovens And Accessories
- Welding Safety Equipment
- Welding Tables And Accessories

# RAW MATERIAL

Whether you need an alloy steel ball or a carbon steel rod, rubber roll to plastic sheets, you will find it, and in the hardness and thickness you need. Make sure that your projects use some toughest, most organic materials on market.

- ▶ Metals
- ▶ Wire
- ▶ Expanded Metal
- ▶ Graphite
- ▶ Carbon Fibre
- ▶ Casting Compounds
- ▶ Insulation
- ▶ Glass
- ▶ Wood
- ▶ Alloy Steel
- ▶ Aluminum
- ▶ Assortments
- ▶ Brass
- ▶ Bronze
- ▶ Carbon Steel
- ▶ Cast Iron
- ▶ Ceramic
- ▶ Copper
- ▶ Cork
- ▶ Fabric
- ▶ Felt
- ▶ Fiberglass
- ▶ Foam
- ▶ Plastics

# POWER TRANSMISSION

Whether you are making a drive conversion or replacing components like belts and bearings, the power transmission products you choose affect your operations for years to come. Contact us to bring you the best products from top manufacturers Rigid clamp and jaw-type couplings, v-belts, bushings and sheaves, along with the repair parts you need to keep your systems running smoothly.

- Bearings
- Bushings
- Speed Reducers
- Clutches
- Brake & Clutch Lining
- Shafts
- U Joints
- Key Stock
- Belts
- Gears
- Chain

## FASTENERS

Choose from a variety of types and sizes of fasteners from Al Bayan. We carry both metric and regular size nuts and bolts, as well as fastener manuals and tech sheets to help you on the job.

- Anchors Nut, Bolts &
- Nails Hardware
- Hooks Key Stock
- Lanyards Manuals
- Measuring Equipment
- 
- 
- 
- 
- Retaining Rings
- Rods And Studs
- Screw
- Socket Screws And Sets
- Screws
- Spacers And Standoffs
- Staples
- Thread insert
- Washers
